THE SENIORS

SENIOR CLASS OFFICERS

**Left to Right: Secretary—Mildred Koch
Vice President—Sebastian Cultrera
President—Donald E. Callaghan**

The Class of "45" takes particular pride in presenting its class officers under whose leadership and excellent directing, successfully completed its High School career.

President Donald E. Callaghan:—Not only was "Cal" President of his class but also the dynamic captain of the track team. Besides showing extraordinary athletic progress, Don evinced his more serious nature in the class room and as president of the math club he labored constantly and successfully to make this one of the most active of extra-curricular activities. The interest and resultant marks that he showed in his studies were evidence of a character that will surely lead to success.

Vice President Sebastian Cultrera:—"Sibby", jovial, uncomplaining, humorous in a sometimes ironic, sometimes almost whimsical fashion, he became no less hero but more friend to all. "Sib" displayed his ability on the cinder path and also on the gridiron. When he starts climbing that old ladder of success, he will probably find that because of his very nature he is half-way up already.

Secretary-Treasurer Mildred Koch:—It is with the deepest pleasure that we present a girl known to you all. A very lovely, congenial, vivacious, personality was "Milly" who rightly was voted most popular girl of the class. Very much appreciated was the efficient and quickly admired help she contributed to the Year Book Committee and also her distinctive presiding over the Speakers Club. To you, Milly, and your glow, your sincerity, and that restful smile—good luck.

Although the size of the 44-45 Math Club was slightly smaller than in previous years, it did enjoy a successful season. Miss Margaret Lord, the Head of the Mathematics Department, was the faculty adviser. The other Officers were: Donald Callaghan, President; Claire Gaffney, Vice-President; Francis X. Hogan, Secretary; Anna Praetz, Treasurer. Some of the topics discussed and their proponents were: The Slide Rule by Elias Corey; Calculating Machines by Donald Callaghan; Scales of Notation by Francis X. Hogan; Fallacies by Joseph Luceri; Will we ever Fly faster than sound? by Anthony Iacobo. The Math Club is also much indebted to one of its members, Elias Corey, who enlightened the rest of us in the intricacies of the slide rule with a short dissertation on that subject at the beginning of each meeting.

A Tribute to John T. Casey

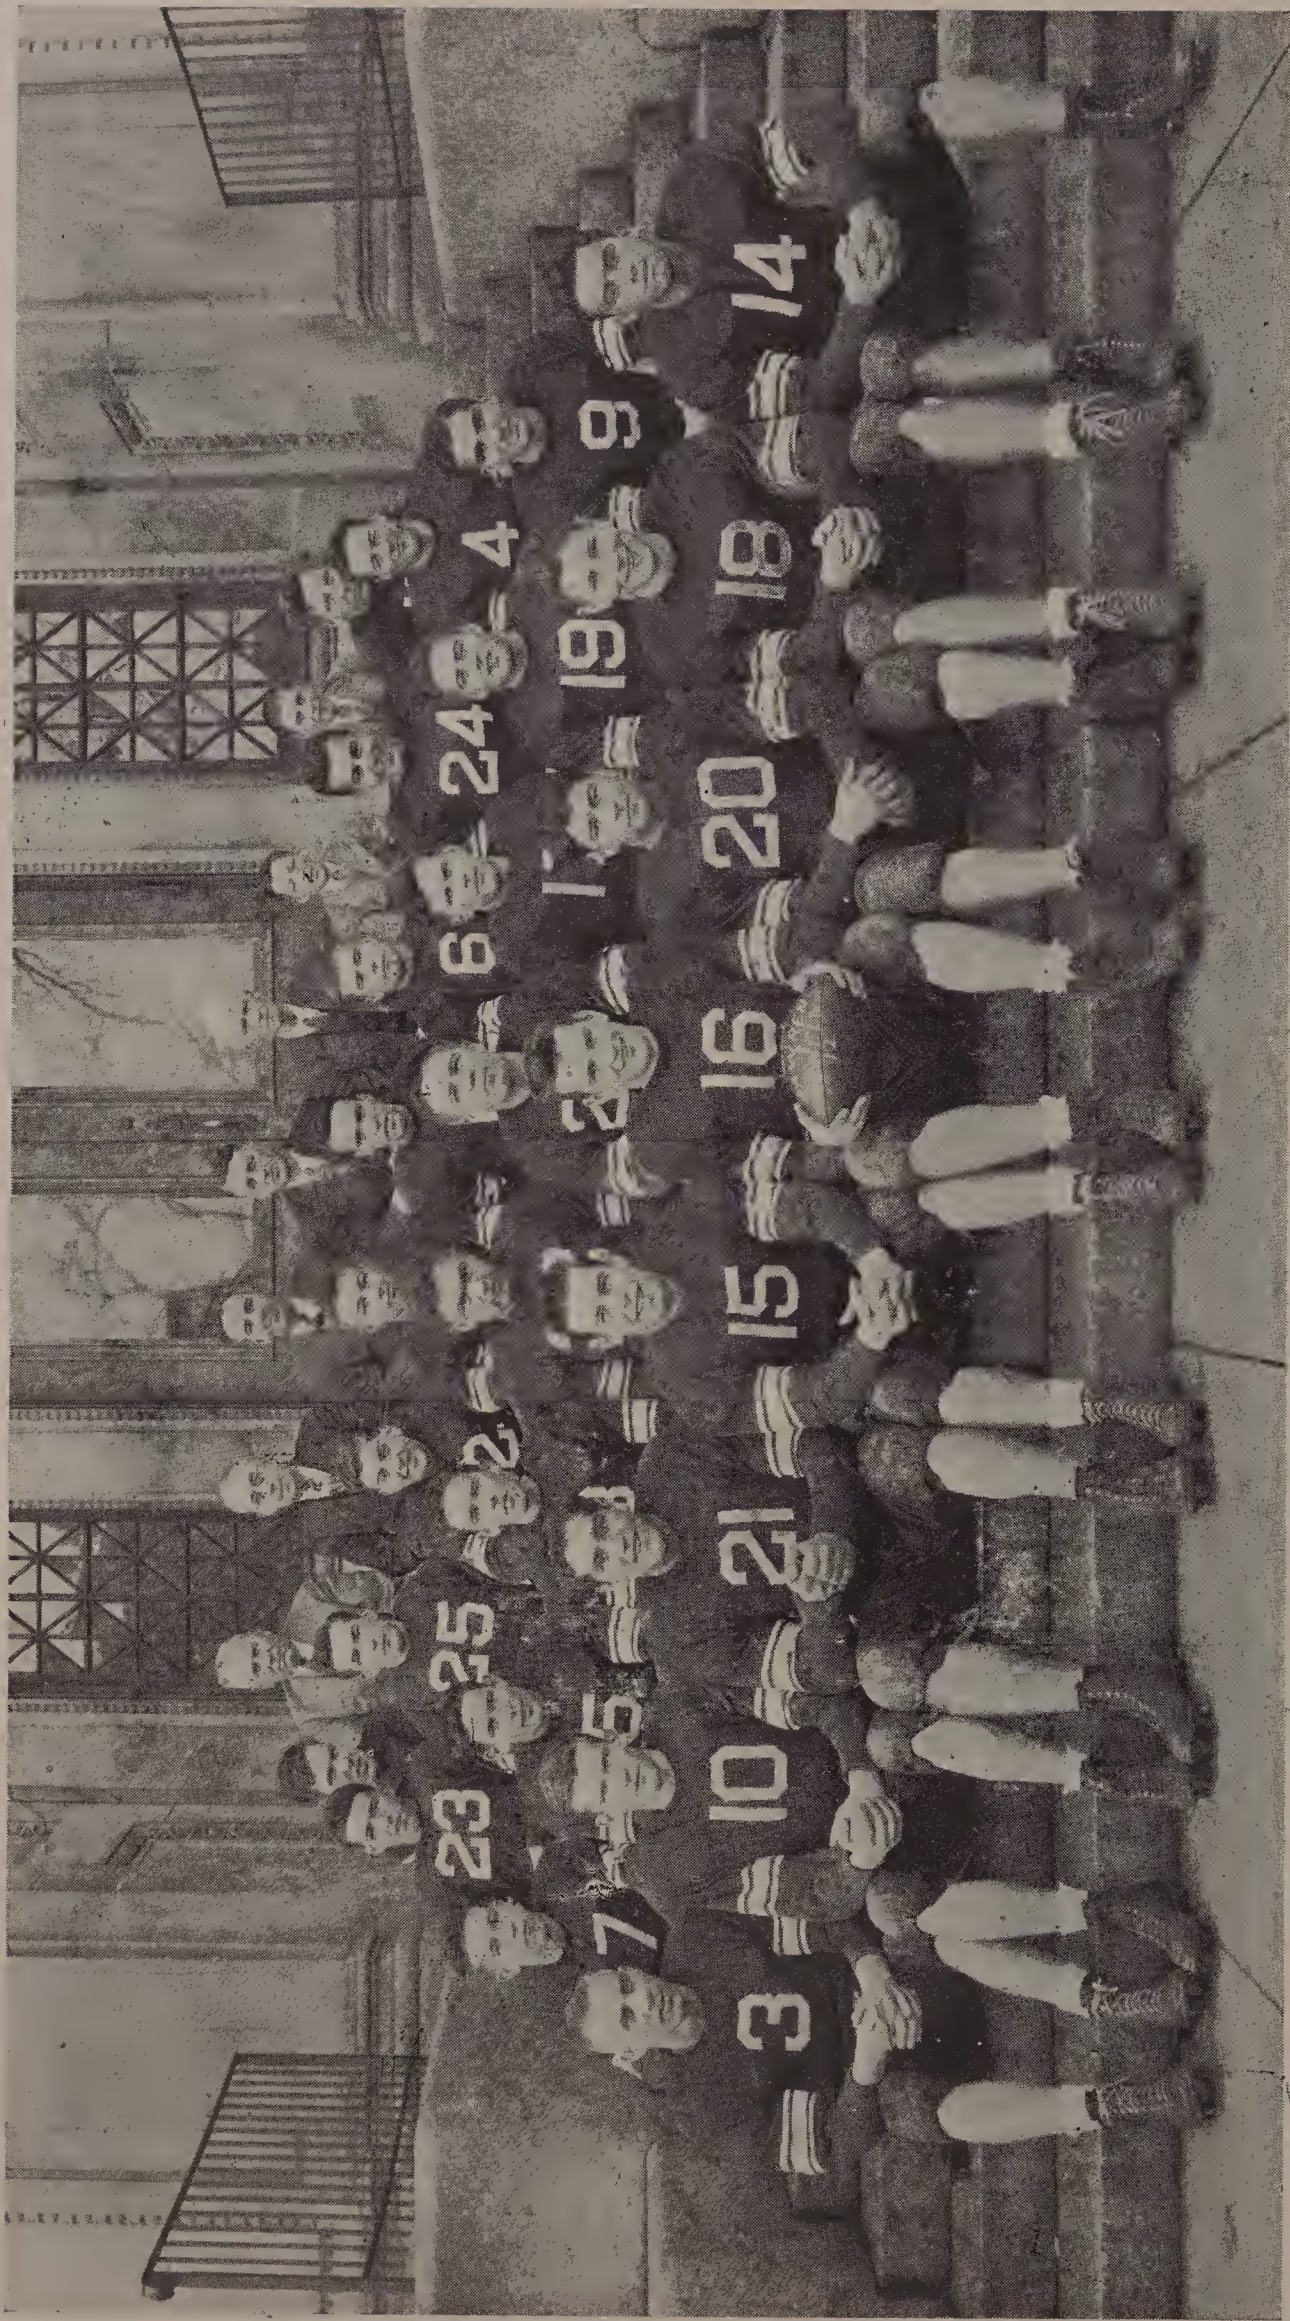

A fine teacher—a real friend. Mr. John T. Casey, who has been teaching at L.H.S. for a comparatively few years, has already made a name for himself with the faculty and student body alike.

Willingly he accepted the task of heading the advertising committee for the 1945 yearbook. He gave unstintingly of his time like the good sport he is and put a lot of hard work into it. His unfailing good humor and sage advice helped a good many of us inexperienced adv. salesmen out of several difficulties.

More credit than probably anyone realizes goes to him for the success of this yearbook. Our hats are off to you for a fine fellow, Mr. Casey, and thanks a million from the class of forty-five.

Lawrence 0

Salem 19

1944 was the first year the team was invited to the Football Jamboree held at Manning Bowl in Lynn. Having only a short period for practice was a tough break for Lawrence's new men against Salem's many returning veterans. In this game Coach Devlin picked probable first team men.

Lawrence 6

Lynn Classical 20

The first important game of the season was played at night at Manning Bowl. Bad luck was with the boys that night, for though during the first five minutes of play Callagy, completing a pass from Bobby Peterson, made a touchdown, our opponents were the victors. Very outstanding in the backfield was Ray Palmegiano, who with his line plunges gained great "chunks" of yardage for the team.

Lawrence 7

Manchester Central 0

Breaking into the win column Lawrence showed its superiority over Manchester by keeping the enemy in his own territory. Bobby Peterson rushed a touchdown off tackle and followed with a short pass to Roland Belanger for the conversion point. Prominent in the line were Dave Dobson, left guard, and Capt. Karas who gave a fine exhibition of tackling during the whole afternoon.

Lawrence 15

St. Peter's of Worcester 0

Don Fountain, Lawrence center, pulled the wool over the St. Peter's eleven when he smashed through their line intercepted a lateral, ran forty-five yards for a touchdown. On the kickoff, the locals got the ball on downs and after being stopped for three plays on the three yard line big Dick Vose pulled a quarterback sneak for a touchdown. Bob Peterson converted the point by rushing. Captain Karas showed up well backing up the five man line and intercepting two passes. A spectacular play by Bob Reinhold topped the score when he smashed the St. Peter's wall and nabbed "Will Bill" Keville for a safety.

Lawrence 7

Lynn English 20

Valiantly fighting on play after play, the locals lost to English under lights at the Bowl. In this game Jack Walker, one of our star ends, was seriously injured, and was lost to the team for the better part of the season. Peterson, running thirty two yards around the left end made his second touchdown of the season. Our outstanding work was by Uliano, DiSilvestro, Perocchi and Kalitha.

Lawrence 0

Peabody 19

A powerful team was the "Tanners" who almost walked over Lawrence. Their team was a three year growth with really big fellows on it. It after won the Essex County and State Championships. Because of the strong winds Peterson's quick kicks were held back, nature and man thus combining against us.

Lawrence

Beverly 12

It was nip and tuck all through this game, with Lawrence in the lead all the way, until Beverly pulled a quick one. The score was 7-6 with Beverly on the 50, last down and about twenty seconds to play, when they passed and made the winning T. D.

Lawrence

Rindge Tech 0

Lawrence made the long trip on a cold, dull, wintry day, to battle with supposedly, the under dog of the circuit, before very few spectators. The field was frozen, and some of the fellows were hurt. Al Comasso received

a bad shoulder injury in this game and had to have medical treatment for the rest of the season. Larry VanBellingham was subbing that day. He made a few extra yards for the team and looked like an All-America.

Lawrence 7

Haverhill 26

The Devlin aggregation came onto the field full of optimism which lasted for the first five minutes. Lawrence received the ball and marched down the field, 70 yards, to the Haverhill 5. But here Bob Peterson received the worst injury the club suffered all season, and the means by which he received it is still a question in the minds of many athletes and spectators of the Essex County Circuit. Just before the half, following the touchdown and conversion point made by Callagy, Roland Belanger's eyeball was cut. Roland's loss added to Bob's, almost, then and there, spelled defeat for the Blue and White. Big Don Fountain and Captain Karas sparked the club along with their brilliant defensive plays and a great asset was Callagy's fine kicking, which helped keep the Brown and Gold back. Though in this game the whole team played their hearts out their losses proved too much for them. Their fine spirit and sportsmanship deserve a great amount of praise and credit for even though the final score was in favor of the "Ancient Rivals" a moral victory was won by Lawrence.

Lawrence 13

Lowell 12

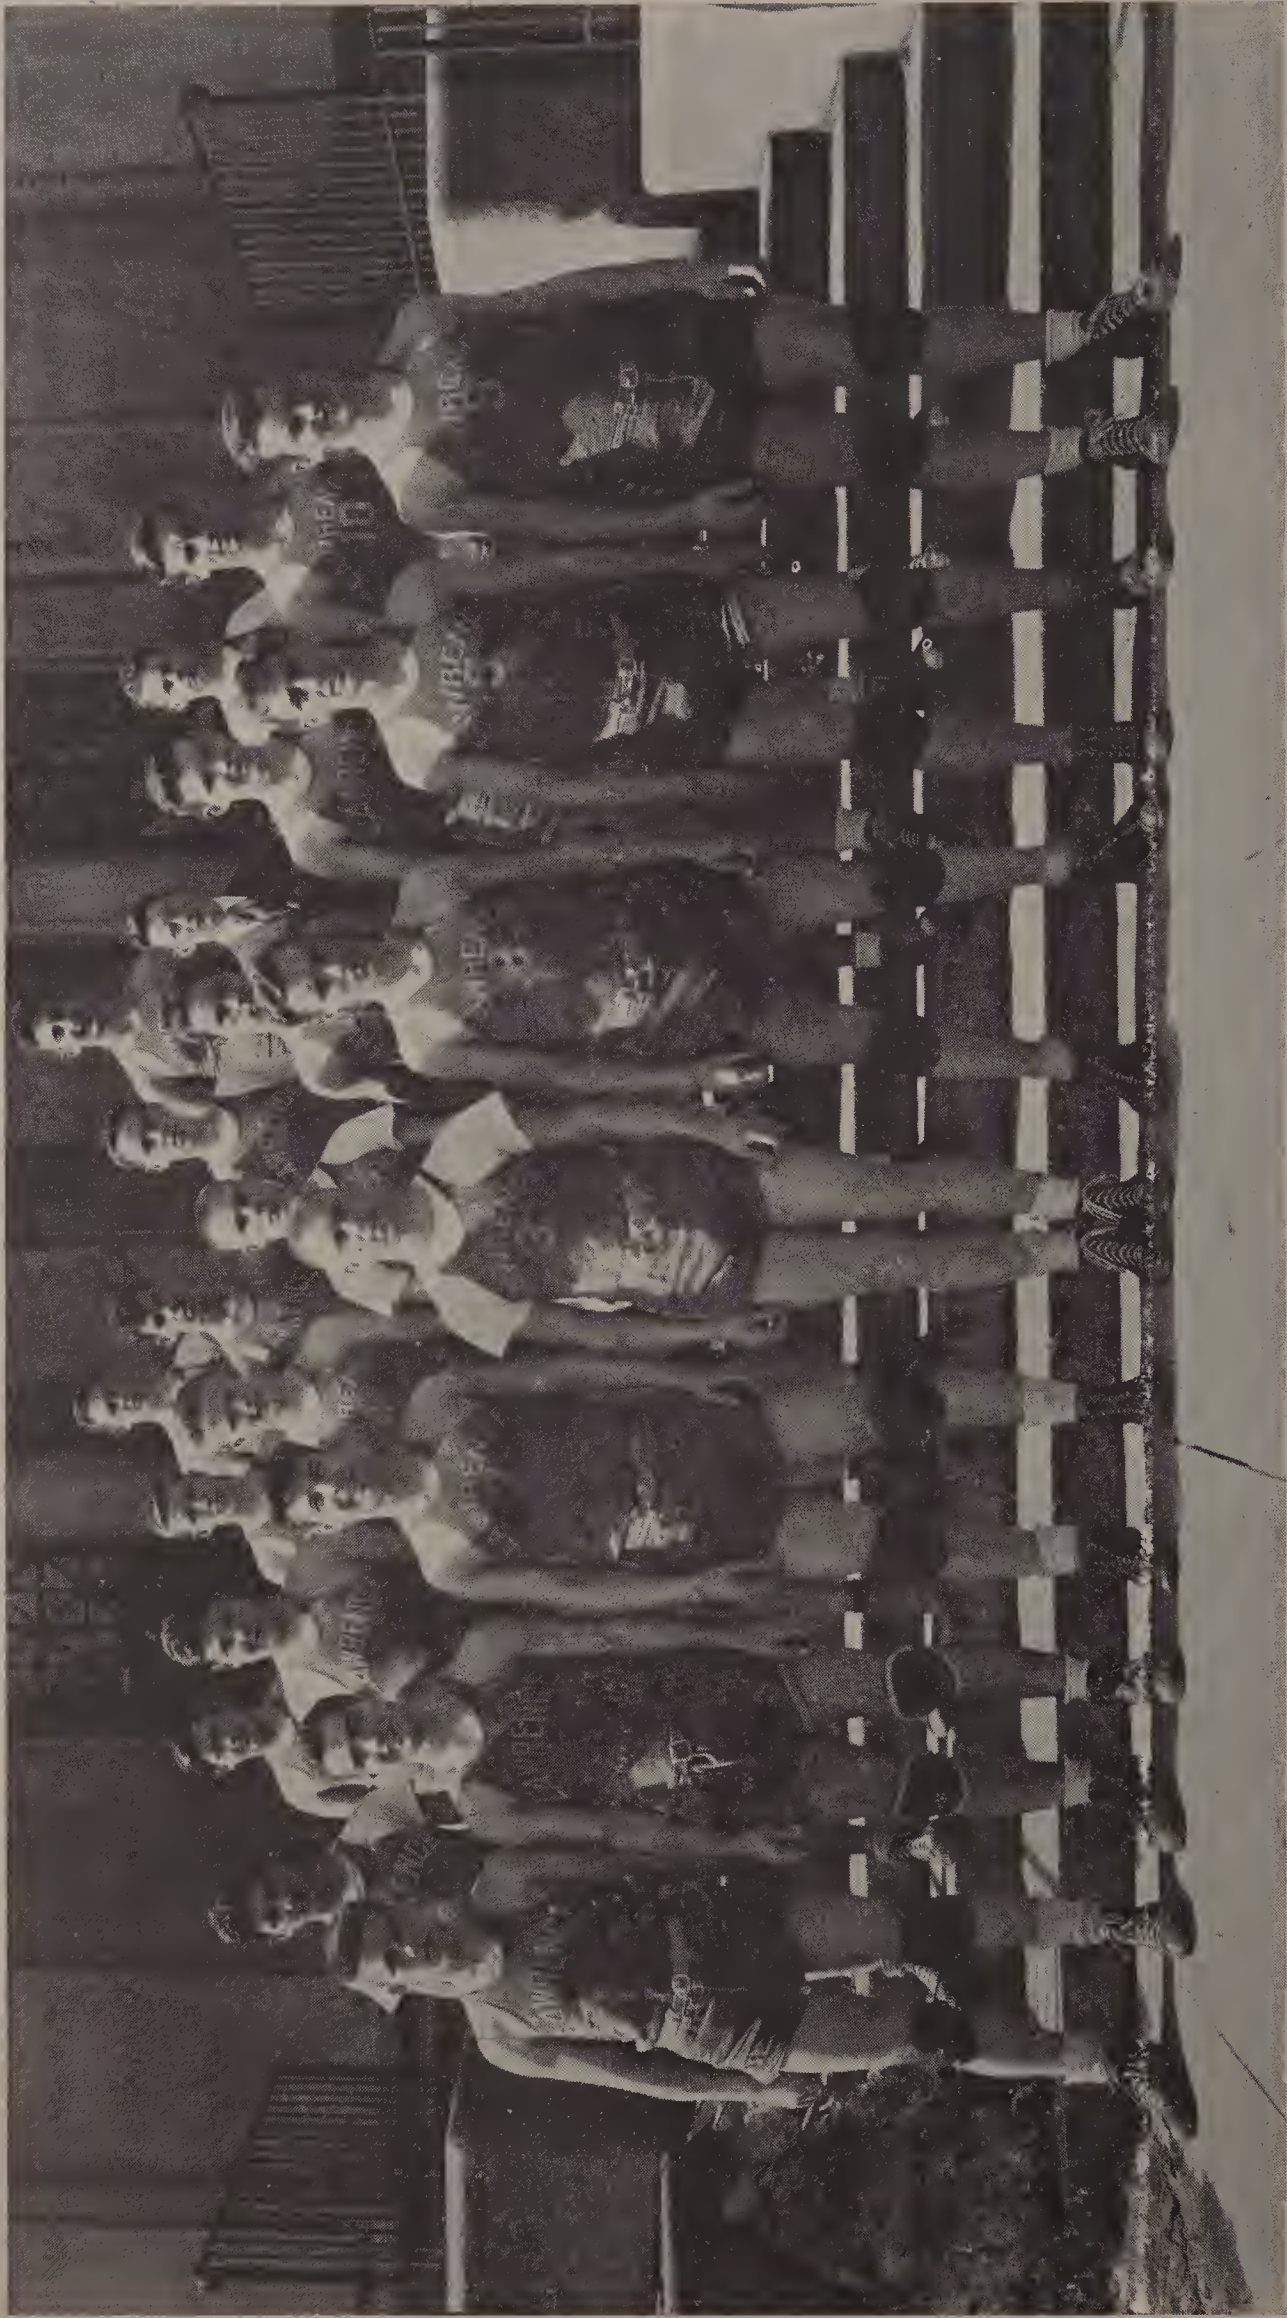

Twice coming from behind, with defeat staring them in the face, Lawrence hurled itself to a smashing 13 to 12 triumph over Lowell High, in the annual Thanksgiving Day Classic. In the first half Lowell, although outplayed by the locals, made its first T. D. At the beginning of the third period Belanger snared a pass intended for Dalquist of Lowell, and raced sixty-five yards for a touchdown, without anyone within ten yards of him all the way. Following Captain Karas' kickoff, the Lowell team marched down the field for their second touchdown, making the score 12-6. About five minutes to go before the game ended the local team executed a spread play which made tackle Joe Karas eligible for a pass, and completely baffled the up-river club. Callagy, who played his best game of the season, whipped Joe a perfect pass, which enabled him to register the tying touchdown. With the game tied, Captain-elect, the first Junior four-letter man, Ray Palmegiano, came into the game and, with a perfect aim, sent the pigskin into the ozone and right between the uprights, winning the game for Lawrence.

Members of the team and the spectators will always remember Bob Peterson who in spite of a very serious injury, displayed more valor and courage than ever before witnessed on the local gridiron. Captain Karas' team played a hard game and won. Their defensive strength stopped Lowell on the ground many times and Comasso, Uliano DiSilvestro, Fountain, Judge, Dobson, Vose, and Walker all did their share toward the victory.

The score for Lawrence High's football season was three wins, five losses, and one tie. The record is not so impressive as in some years, but it had one great satisfaction, the defeat of the Red and Gray, our upriver rival. The team worked hard and did its best and for the care and training it received from its coach Mark Devlin Jr. and his assistants, James J. Jordan and Ernest Perry it wishes to express praise and thanks.

LAWRENCE HIGH SCHOOL BASKETBALL TEAM

In Essex County League Competition, the Lawrence High School basketball team, led by Captain Bob Peterson won seven games and lost seven, for an even .500 average. In eight games played out of the League, we won five. Our final average for winning twelve and losing ten was .545.

The Manchester Central and Salem fives were the first to defeat the locals, but we bounced back to defeat Gloucester, Lynn English, and Peabody. We sorely missed Captain Peterson in our next loss to a strong Classical team. In the next game our defense was superb, since we held Gloucester to but one floor basket and only nine points. We then went on to defeat Beverly, winning by four points, in a closely contested game. Two defeats then followed, one to Beverly in one of the roughest games seen at the gym in many a day, and another to Classical. The locals trounced Peabody 59-41 in the next encounter. A win over Salem was sandwiched by two defeats by the strong Haverhill team, which captured the Essex County Championship. The next two games were with Lowell. Lawrence sank two floor shots in quick succession to edge out the game Lowell five after the score had been knotted at 28—all for two minutes. Then, on the Lowell court, we made a clean sweep of our series by smothering our perennial rivals, 21-16.

In the first series ever played with Central Catholic of Lawrence, we dropped both games to our intra-city rivals. The team was then invited to participate in the second annual General Electric Tourney held in the Lynn English High School. We qualified for the semi-finals by defeating Classical 26-16. English, Lowell, and St. Mary's of Lynn also qualified for the semi-finals, by defeating Chelsea, Revere, and Salem respectively.

Then we romped over Lowell while English was defeating St. Mary's. In our final games of the season we emerged victorious, the winners of the Tourney, by setting back a highly favored English High team. Despite the two losses to Central Catholic and our seven-seven record in the League, the season was termed "successful", because of our outstanding play in the Tourney.

Captain Bob Peterson was forced to stop playing after competing in only five games. His absence for the remainder of the season had a decided effect on the team. His unparalleled offensive play and his marvelous eye were sorely missed during the remainder of the season.

Wally Baines was Acting Captain during Bob's absence, and well he deserved that title. In the 59-41 bout of Peabody when he scored thirty-two points, he smashed the individual scoring mark of twenty-nine, set by John Callagy in '39. This brilliant young forward also was second in the scoring in the Essex County League to Harvey Kreplik of Classical. Despite the fact that he ran second to Kreplik, they both broke the Essex County scoring record of 200 points set by Ted Wollercheid of Classical in '37. Baines wound up with 225 and Kreplik with 249.

Ray "Punch" Palmegiano moved up from guard to play center, in Capt. Bob's absence. "Punch" is a great defensive player. He played the best game of his career in the Lowell game, at Lawrence. He's a four-letter man, and the first Lawrence High School athlete to win four letters while a Junior.

John "Snatch" Kiley was the other forward. "Snatch" put his heart into every game he played. His snatching of the ball off the backboard acquired for him this nickname.

Joe Karas, another four-letter man, held down one guard position. This was the first year that Joe played basketball, and as a result of his fine defensive work was kept on the first team throughout the season.

Stephen Perocchi, of the famous athletic Perocchi's, played the other guard position. He's a fast dribbler, and because he is a sophomore, will be back for two more years. We expect a lot from him later.

A few substitutes who saw action with the first team are; Charley Bauchman, a tall, rangy center; Captain-elect Frank Kivel, a short spunky lad who was all over the court; Stan March, who saw considerable action in the Haverhill game; John Fenton, a sophomore, who possesses a good eye; Ray Peterson, another sophomore, and a brother of Captain Bob; and Joe Lawlor of the Junior class.

The team was coached by Mark H. Devlin Jr., James Jordan was the Assistant Coach. John W. Kennedy was the Faculty Manager, and Francis X. Hogan, Jr., was the Student Manager.

LAWRENCE HIGH SCHOOL TRACK TEAM

The Lawrence High School Track Team reported to Coach Perry for practice following the Christmas holidays. There were nine letter-men returning to the team and they included Capt. Donald Callaghan, Bob Dowe, Dave Dobson, Sib Cultrera, Paul Wisnieski, "Busty" DeSilvestro, Jim Mathews, Don Mathews and Irv Haseltine. With added strength provided by Jim Mullen, Frank Foucher, Joe Karas and Ray Palmegiano, the team travelled to Lynn to win its first meet from Lynn English High School by the score of 41 to 36. The hurdlers were in top form, proven by the fact that they captured the three places. Captain Callaghan won the dash, and placed in the 300 and the broad jump. Bob Dowe placed in the hurdles and in the 600, along with Frank Foucher, a newcomer, who placed in the 1000 and the high jump. Paul Wisnieski won the high jump and the shot putters garnered points in their event. Following a week of hard practice the locals met the Medford High track team at the Andover Case Memorial Cage. They suffered their first defeat at the hands of this Medford club to the tune of 36 to 40. The locals met some real stiff opposition in every event, but were never licked until the final race was over. Bob Dowe, Don Callaghan, "Busty" DeSilvestro, Sib Cultrera and Paul Wisnieski were in top form, but the visitors were a bit too strong for the locals. The boys then travelled to the Boston "Y" to take part in the Northeastern Meet where "Busty" DeSilvestro was the only point scorer, scoring two points in the shot put. Dave Dobson and Bob Dowe went as far as the semi-finals in the hurdles and Capt. Callaghan went the same distance in both the dash and the 300. A relay team made up of Capt. Callaghan, Don Mathews, Bob Dowe and Irv. Haseltine suffered defeat at the hands of the Lynn English relay team, and so came home with but two points to their credit. The following week a practice meet was held with the Andover J. V.'s and in the dash Mr. Kennedy's boy, Courtney Allston, began to show promise as a fine dash man. The next meet was a heart-breaker which the locals lost to Lynn Classical 39 to 38. Gaining a good many points in the standing broad jump, shot put, and dash, the local had what they thought was a substantial lead, but the visitors made their points in the distance runs and high jump count, consequently winning the meet by a single point. It wasn't decided however, until the relay at which time the Lynn boys scarcely beat the boys in Blue and White. After a week or so of rest the wearers of the Blue and White once again broke into the win column, and this time, but good! They met Somerville High at the Case Memorial Cage and trounced them by a score of 53 to 24. All the fellows were in top-notch condition and the visitors picked up but a few seconds and thirds. Ray MacDonnell was beginning to show real form in the 1000 and Roland Trignani was bettering his mark in the broad jump time and time again. The final meet of the season was against the traditional rival Lowell and the Lancers of Lawrence won the meet by a score of 44 to 33. Going into the meet both teams were pretty evenly matched, but where points were needed the locals showed their superiority. Courtney Allston placed third in the broad jump and second in the dash along with Capt. Callaghan who placed third in the dash and second in the 600. Bob Dowe captured a first in the hurdles and a second in the 300. Frank Foucher won the 1000 and tied for second in the high jump with Roland Trignani who also gained second place in the standing broad jump. The first thrill of the afternoon came when "Busty" DeSilvestro chucked the shot put 42 feet to take first in the event after a Lowell boy had tossed it 41 feet which was believed to be the winning distance. Ray Palmegiano took a third place in the shot to become the second four-letter man in the same year, Joe Karas having won his track letter earlier in the season along with his letters in football, baseball, and basketball. The biggest thrill of the afternoon came when spring-footed Paul Wisnieski cleared the high jump bar at 5 feet 11 inches, or three inches over his head.

That meet concluded the indoor season and now it is rather hard to pick any individual who was outstanding all season, because all the boys did their level best to score points for the team. We will all have to admit though that Captain Donald Callaghan was always ready to go into any event, regardless of distance, where the winning point might be scored. "Cal" was admired by all the fellows on the team and was a true sportsman.

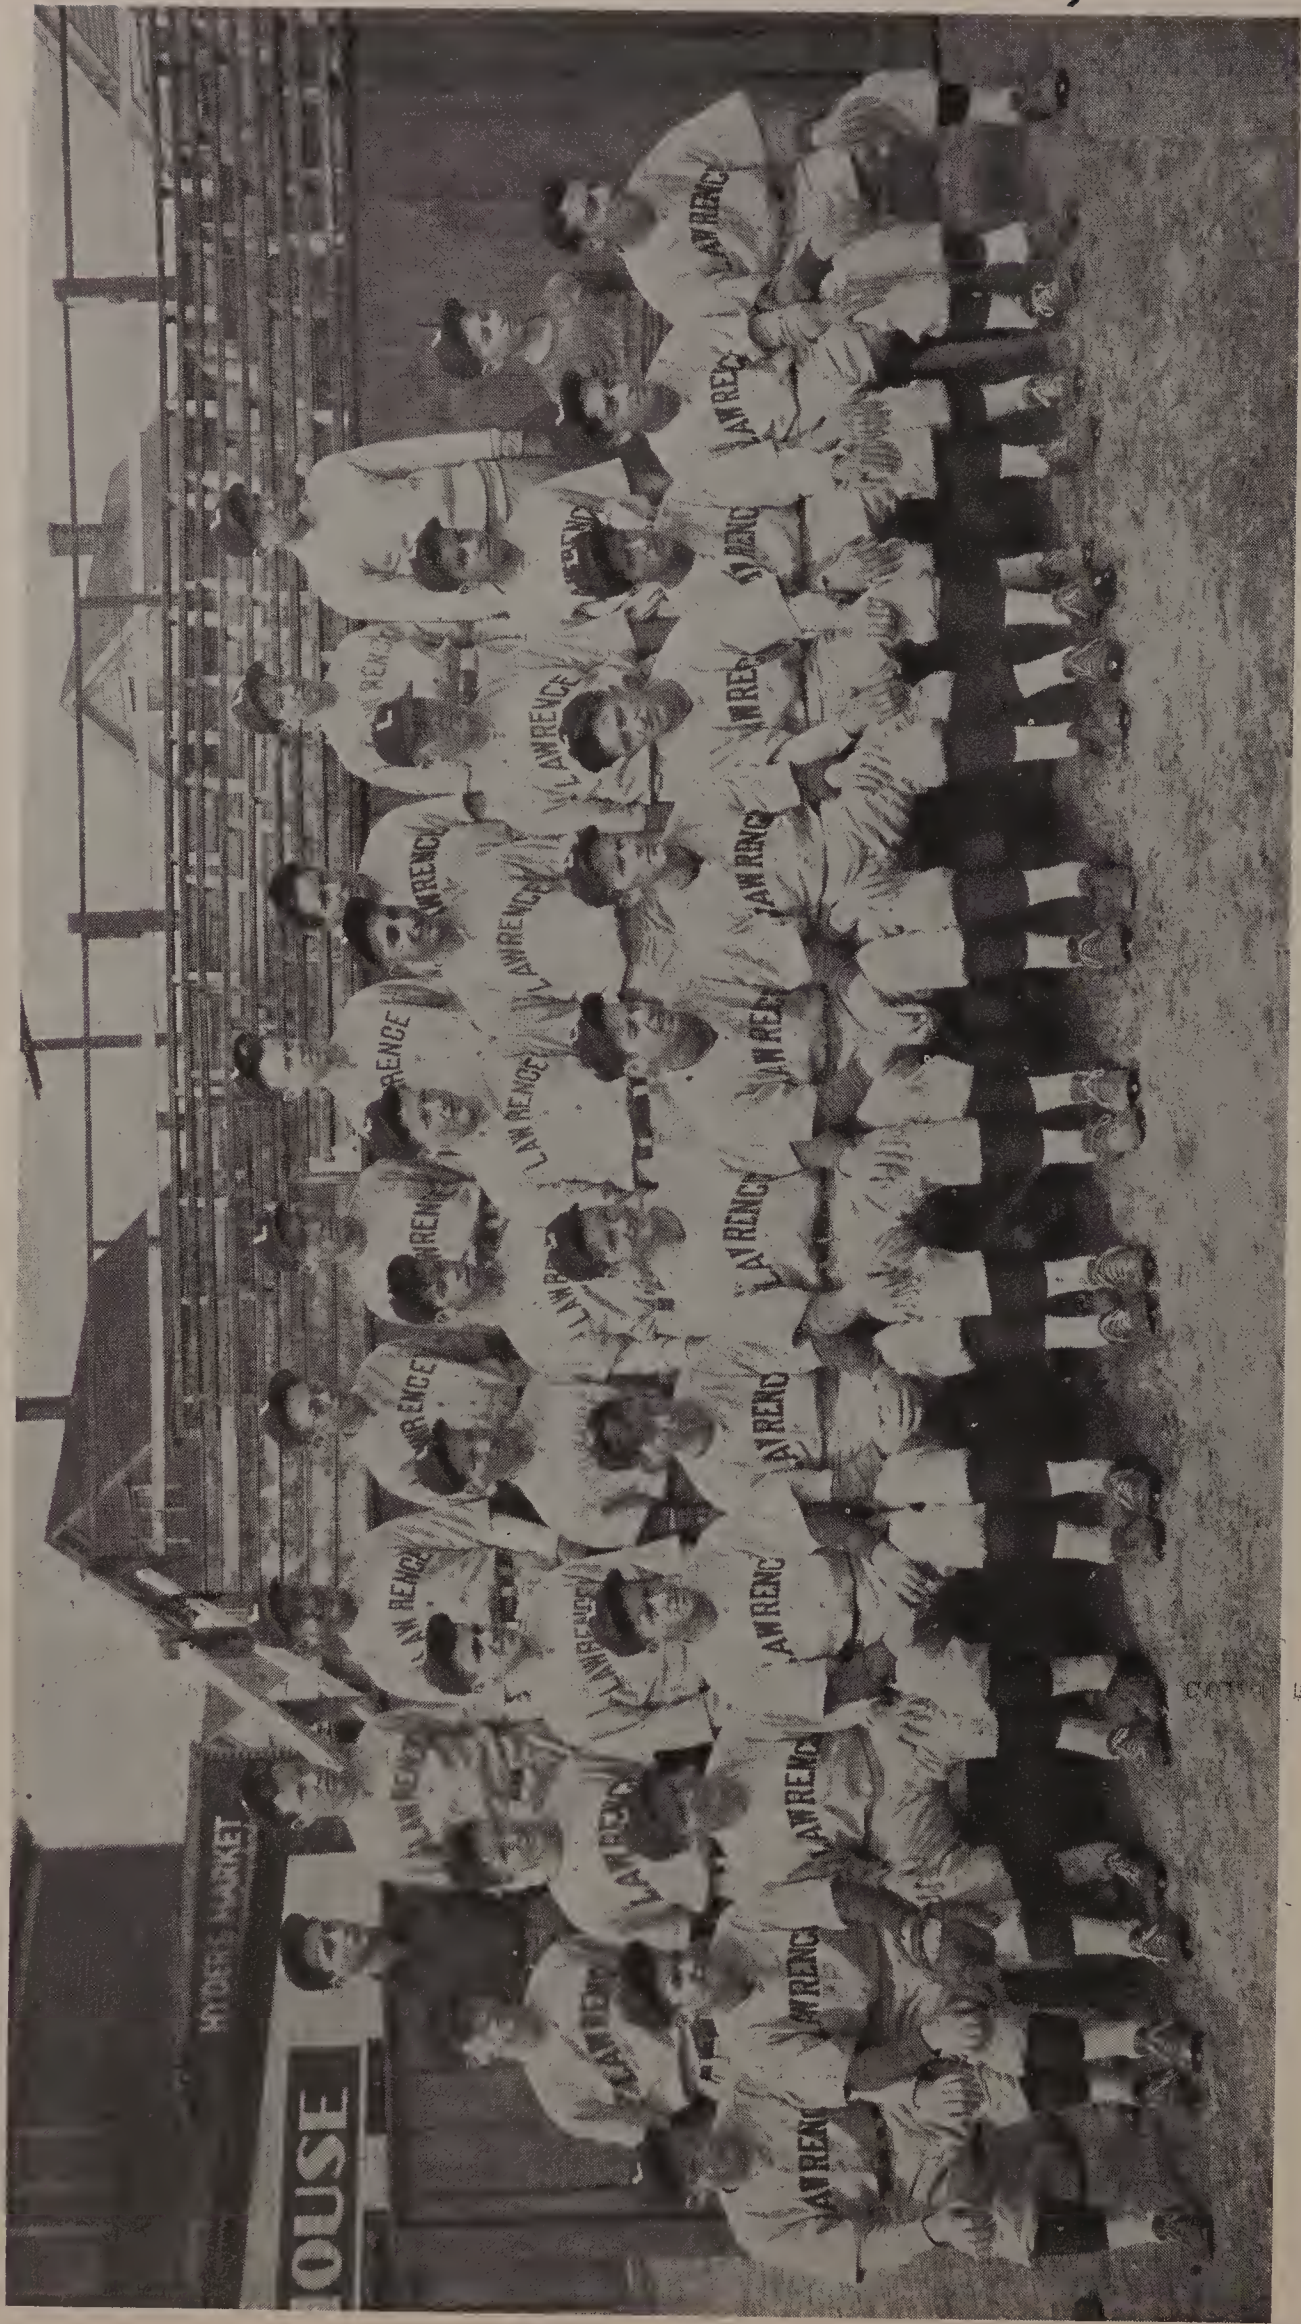

One person who certainly deserves mention is "carrot-top", student-manager, Francis Hart. Franny could be seen at all the meets with his clip-board, ready to make any corrections in the score if anything warranted it.

Not enough thanks can be given to Coach Perry, Mr. Kennedy, and "Doc" Murphy for all the help and courage they gave us during the season.

All the boys are now looking forward to the outdoor season which is just around the proverbial corner. The outdoor season should prove very successful for the Lawrencians, because of the experience gained during the indoor season. With the same fine coaching of Mr. Perry and the leadership of Capt. Callaghan, you can be sure the team will bring added victories to the school.

LAWRENCE HIGH SCHOOL BASEBALL TEAM

Straight from three consecutive Essex's County Baseball Championships this year's team is very promising. Again leading the locals are Head Coach Mark Devlin and Assistant Coach James Jordan who have devoted themselves to teaching the finer points of the game in order to produce championship teams. In his 23rd year of coaching, Mark Devlin has produced many fine teams and is expected to continue his fine record at the local high school. Probably returning from last year's squad are Robert Peterson, Pitcher; Joseph Karas, 2nd base; A. Cammaso, Catcher; R. Palmegiano, L. Field; playing at 1st base will be either F. Ruffin or J. Fenton. At shortstop Edward Kershaw will be available. Besides Peterson, two other available pitchers are Wally Baines and Philip Cleary.

Lost to the Armed Forces are Captain Lee (Lefty) Reming, Thaddeus (Ted) Salach, and Eugene (Gene) Callagy, all of whom played a great part in last year's championship team. Reming, perhaps the greatest shortstop who ever played for Lawrence, played as a regular for three years winning a varsity berth since his freshman year. He has been called the classiest shortstop in Essex County for three years and hit the apple for about 325 last year. Elected Captain for the locals, he was also chosen as Co-Captain for the American Legion team and played regularly for them. Because of his outstanding play at Braves Field, where Lawrence played Natick for the State Championship, he was selected as All-Scholastic and chosen to play on the All-American team at the New York Polo Grounds under Connie Mack. While there he covered himself with glory with his standout play. The game's best defense player he also had the game's longest hit, a double off the right field wall. Because of his fine playing he was again honored by being selected as the third best player of the entire game. Teddy Salach a right handed pitcher has also been on the team since his freshman year and is a great potential hitter. He was undefeated in his sophomore year and was defeated only once last year. Last of the trio to be lost to the Armed Forces is Gene Callagy, another of the famous Callagys who have given so many athletes to Lawrence High. Regular outfielder he is very fast, a good fielder and expert bunter.

Again playing at second base will be Joseph Karas, Captain of the football team, who hit the ball for an average of 435 last year and was third batter in Essex County. Quiet and likeable he bats righthanded and hits the ball to right field. He is a big asset to Lawrence and has won letters in football, basketball, baseball and track, to become the 2nd four-letter-man in 10 years.

The catching position will be filled by A. Cammaso who has been a regular on the second team for three years. A great catcher he rarely misses a signal and can be depended on when the chips are down.

This year will also find Lawrence with a capable pitching staff. Available will be Robert Peterson, Wally Baines, and Philip Cleary. First of the trio, Bob Peterson, our Ace, besides being a pitcher, is a powerful batter and occasionally is used in the outfield. He has a strike-out record that would fill a book. He was in a terrific batting spree when last season ended and is expected to be an asset in the local batting order. Bob has speed and a sharp curve that has opposing batters dizzy. Also available will be Wally Baines, basketball star, who played for the local seconds and made a fine record for himself. A well-built lad he is expected to give opposing batters plenty of trouble. Last but not least is Phil Cleary who also played for the second team last year. A SWELL guy he mowed down all his opponents in quick order to make a fine reputation for himself.

Playing at left field will be Raymond Palmegiano, who is another four-letter-man. A regular since his freshman year, he has won esteem from all his teachers. He is a powerful hitter and a great fielder and may be depended to come through in TIGHT places. He always has a wide grin and is well liked by all who know him.

First base is a problem in that there are two candidates equally good to fill that position. Both members of the sophomore class, they are Thomas Ruffin and John Fenton.

A shortstop will be Edward Kershaw another member of the sophomore class. He can handle anything that comes his way and has a quick arm and sharp eye.

This comprises the probable lineup to face our opponents this year 1945, and here's wishing them good luck and hoping that they go on to capture their fourth consecutive Essex County Championship and eventual State Champions title.

 Time nor space will permit me to include each member of the illustrious class of '45, but no one has been purposely omitted. Each and every one has something to leave as he enters a world of chaos. As early as September of 1944 some brave members of our class began to prepare this will and testament for me. These brave fellows left their books, so that our class, and classes to follow, would be able to attend the Lawrence High School, and high schools all over the country, in the manner in which they are accustomed. Those that have not been listed above, I know, leave with a feeling of pride that they have been graduated from the Lawrence High School, and they leave with the regret that they had but four years to spend within its walls.

Irving D. Haseltine, Jr.

History of the Class of 1945

In the estimation of the majority of us, one of the greatest adventures we have ever embarked upon was our High School career. These last fleeting four years will forever hold a place in our hearts, for these were the days when we were carefree and gay. Since this is one of the last occasions when we shall all be together, let us drift back on the clouds of nostalgia, and relive some of our high school days. We were the first freshman class to attend the Oliver School, and the first freshman class to have morning session in a number of years.

Remember our first day? We stood in front of the building just one strange, frightened, and bewildered group. Oh, how happy we were when we spied some familiar face amongst all those unfamiliar ones.

Our predecessors had terrorized us with stories concerning the great amount of homework we would receive, and in our minds we had visualized the teachers as being ogres. However, we soon discovered the fallacy of our beliefs.

In October and November, Charlotte Kalil and George Sweeney won the contest sponsored by Glennie's Milk, in which they had to write a story for radio dramatization. Both were awarded a trip to New York, and Charlotte was especially envied because she dined and had her picture taken with Glenn Miller and Marion Hutton.

December 7, 1941, is one date in our school days that will never be forgotten, for that was the day the Japanese bombed Pearl Harbor.

The baseball team won the Essex County League championship and went to the state tournament. Two baseball players, of whom we were mighty proud, were Leo Reming and Billy Ivers, for it isn't often that the freshman class is represented in sports.

In March, Lillian Kiezulas and Irv Haseltine were voted the most popular students in the annual popularity contest conducted by the Lawrencian.

At graduation, Antonietta Fera and Hagop Najerian were awarded the Perkins Prizes.

Sophomore Year

The beginning of our sophomore year was almost as greatly anticipated as our freshman one, for we were to enter the real high school building and associate with the much envied upper classmen.

Although our class was deprived of an outstanding athlete when Bill Ivers joined the Navy, his loss was somewhat recompensed by the arrival of that all around athlete at Lawrence High. Of course, this boy with the Maine accent was the incomparable Bob Peterson.

Our football team made a good showing, for we tied Haverhill 0-0 and defeated Lowell with a score of 7-6. Because we played Sunday football, Lawrence High was declared an outlaw school.

The Friday Frolics commenced that year, and those who went will never forget the gay and wonderful times they had.

After Christmas, the basketball season opened with Bob Peterson as sophomore representative.

In March, Lillian Kiezulas and Irv Haseltine were re-elected in the popularity contest.

The baseball team for the second consecutive year won the Essex County league.

Bob Peterson, Ted Solak, Frank Palazzo, and Leo Reming represented our class.

Junior Year

When we entered school in September, we were no longer the wondering wide-eyed pupils of previous years, for now we really felt a part of the high school.

Despite the fact that we were defeated by both Haverhill and Lowell the football team still ranked high in our estimations.

The football season ended and Joe Karas was elected captain for 1945, and the players were honored with a banquet.

Upon the completion of the basketball season, Bob Peterson, high scorer for Lawrence, and sixth on the county scoring list, was elected captain for the next year.

Donald Callaghan, Irv Hazeltine, Robert Dowe, and

Paul Wisnewski were outstanding in bringing victory to our school on the track team.

The results of the popularity contest conducted in February by the Lawrencian were entirely different from the two previous years. Connie O'Dowd and Don Fountain were elected the most popular students. During the fourth war bond drive, Lewis Robinson was awarded a war bond by Mr. O'Leary for buying the bond of the greatest denomination.

The outstanding event of the baseball season occurred when Leo Reming went with the all state team to New York and played on the Polo grounds.

Bob Peterson, one of the best pitchers Lawrence High has ever had, was one of those selected in the All Essex County team.

In May, the annual Junior-Senior Prom was held, and the most envied girl in our class was Mary Louise Scott, who led the grand march with the President of the Senior Class, Walter Coulson.

At graduation, Francis X. Hogan was awarded the Gerrish geometry prize, and Sylvia Fredette and Norman Shack won the Perkins Prizes.

Senior Year

After an enjoyable summer vacation, we returned to school in September, seniors.

During the summer, the senior class lost one of its most popular members in an automobile accident. Those of you who were acquainted with Billy Maloney know that, when he passed away, one of the brightest lights in the senior class went out.

We certainly were proud of Timothy Toohig when he was appointed to Annapolis.

Sylvia Fredette was made editor of the Lawrencian, the first girl editor in a number of years.

The Debating Club engaged in many interesting debates throughout the year, under the capable leadership of Joan Flanagan.

On Thanksgiving Day, Lawrence High defeated Lowell in one of the most exciting games in many years. We won't ever forget how that extra point was scored in the last few minutes of the game, thus making the score 13-12.

Captain Joe Karas had a great honor bestowed upon him when he became a four letter man, for only five others before him in the entire history of the high school had been so honored.

In the latter part of November, we held the class election and elected Donald Callaghan, President; Sebastian Cultrera, vice-president; and Mildred Koch, secretary-treasurer.

In January, home-room representatives were elected and work began on the year book. Bob Dowe should be given special mention for the great number of "ads" he sold.

In January, Mary Cretella was proclaimed Lawrence High's Good Citizenship candidate, an honor which was awarded to her for her outstanding character, personality, and leadership.

In February, George Sweeney, Joan Flanagan, and Elias Corey represented our school in the annual American Legion oratorical contest. Joan delivered such an excellent oration that she was declared the winner.

Remember the way all the boys drooled over that siren Lauren Bacall? Likewise the girls raved over Van Johnson.

Ray MacDonald, for the second consecutive year, was Lawrence High school's radio reporter, and every week we thrilled to Sam Cataudella's marvelous piano playing.

Remember the fun we used to have at the Speaker's Club? Mildred Koch was president, and despite the crazy antics of Francis "Carrot Top" Hart and Dave Dobson, we did manage to accomplish something.

Of course, these are only a few highlights of our high school career. There were many, many other individual incidents which will live forever in our hearts, and always be synonymous with our high school days, the happiest days of our lives.

Class of 1945

April 1, 1955

Donald E. Callaghan
Commanding Officer
United States Military Academy
West Point, New York

Dear Don,

Your letter arrived in this morning's mail, and it was good to hear from you. I want to tell you that I, too, have been thinking a great deal about our old classmates lately. I've seen almost everybody in these last few days. I'll tell you how it all started.

One year ago Irv Haseltine and I teamed up as photographer and reporter for the "San Francisco Herald". From that day on, our contact with the old crowd became active. You see, Irv and I travel all around the country, and sometimes abroad. Well, we were assigned to accompany Mary Louise Scott, who had just been presented with the Academy Award, on a tour of the principal cities of the country. I guess our luck started there. Johnnie O'Sullivan was handling the publicity releases, and so we were in constant touch with the studios at Hollywood. We chartered a plane and were given a lavish expense account, with a promise of a vacation on the presentation of our final story. With New York as our first stop we planned ahead to get reservations at the Sky Plaza, which is owned and operated by Phil Cleary and Gerry McCall. We had no trouble there, but on our arrival Mary Louise had an attack of acute indigestion, and had to be rushed to the nearest hospital. We, or rather Irv and Sul, carried her from the plane to the waiting ambulance, which, in turn, rushed her to the City Hospital. We were personally promised by the head nurse, who happened to be Jackie Lynch, that she would receive the best care possible. While we were waiting to see America's favorite actress, John Teutonico, an intern, invited us to attend a board meeting. We decided that it would be a wonderful opportunity to see how a large hospital is managed. We were a little late, so the formal introductions were dispensed with. We stayed there for an hour and a half and enjoyed every moment of it.

When we came out we met Barbara Gutteridge and Charlotte Kalil who were nurses aides, and they directed us to our patient's room. We were greeted by a very sober-faced doctor who informed us that Miss Scott would require hospital care for a few days due to a severe case of ptomaine poisoning. This left us with a great deal of time on our hands, with nothing to do. However, we decided to meet that evening for supper, and in the meantime, for each one to go his own way.

It was a lovely day, and I had the urge to ride on the top of a bus. I found myself sitting next to a very important looking man who seemed to be enjoying the scenery almost as much as I. The initials on his bulging brief case were R. M. D. Jr. I finally recognized my old friend Bob Dowe. He owns a large department store which specializes in men's furnishings. And you can imagine my surprise when he told me that Evelyn Ward and Margaret Palmer were his managers and buyers. Bob left with the promise that he would join us for dinner that evening at Charlie Bauchman's famous "Pelican Club".

New York in the Spring is wonderful, and walking is good for the figure. With these thoughts in mind I left my bus ride behind me and began window shopping. I've always had a weakness for lovely silver, and when I saw a rare collection in a shop called "Silverman's Silver Antiques", my curiosity was doubly aroused. I went inside where all the clerks had their names stamped on their smocks. A tall, dark man by the name of Louis Robinson waited on me. Yes, it was our old classmate Louie. He told me he was working for Elaine Silverman. Meanwhile, Herbie White had just dropped in to see Elaine on some business matters. Enough said! I was ushered down a long hallway into a beautifully furnished office. I guess I don't have to tell you what an interesting visit I had, short as it was. I stayed for one hour, and then I had to leave.

I went up to the hotel to extend our reservations, and to take care of my luggage. As I entered the main lobby, a great commotion started. No, not because of me, but because Dave Dobson, the swoon crooner was right behind me. Dave not only wows the bobby sockers, but also their older sisters. When Dave was out in California, I had written some articles about him and we needed no introduction. There was a good natured Irish policeman whom Dave called Captain Ford. Sure enough, it was no one but Jocko. He has the original gift of gab! How he got rid of 75 croon-swoony teen agers is beyond my sphere of knowledge. I guess it was something he acquired at our Alma Mater L.H.S. I relayed my information about the gathering that night, and in return got two promises of attendance. Dave had a broadcast in another hour so they left me and went up to his penthouse to make preparation for the program.

I made the arrangements for our reservations with Hank Lavery who had just stopped by to help Phil out with the shortage of help. Once again I started up to my room and this time I made it without seeing one familiar face. But just as I began to draw the water for a nice, hot bath, Hank who was still at the desk, telephoned me that two visitors were on the way up. At this point nothing would have phased me. So, when the buzzer sounded I willingly admitted my visitors. Did I say nothing would have phased me? Correction, please, this did. Connie O'Dowd and Millie Koch just stood in the doorway and grinned. In about two minutes my surprise wore off, and we began exchanging gossip, just as we used to do. I learned that Connie was producing a play, Millie was directing it and Janet Weldon was backing it. Talk about "old home week"! I told them about our little gathering at the club, and secretly decided to put a sign on my back, it would save me a lot of trouble. Much to my surprise they announced that they would be leaving. I was disappointed but then, only one of my days in New York had been spent.

Well. I took my hot bath, dressed and made a mad dash for the hotel snack-bar which closes at seven o'clock. My dinner engagement was to be at eight and I wanted a snack to hold me over. I reached the mezzanine just too late but I left the hotel and crossed 42nd St. to a large, modern drug store. The neon sign spelled out Parthum's Pharmacy, as did smaller signs inside. I wasn't very quick

to catch on, because it took me my whole meal time to realize where I was. When I was paying my check I asked if the owner was present just now. I was regarded with a look of horror and simultaneously informed that Miss Doris Parthum was not present to the customers. I smiled and thought inwardly of the thorough way in which Doris trains her help.

Once more I ventured out into 42nd St. and hailed a cab. I gave the driver the address of the Pelican club and settled back. There's something about a cab driver that is sort of magnetic, so I decided to investigate his credentials. Now don't get annoyed at me, Don, I just had to look at his license on the back of the seat. His name read Joseph Watton. New York is a big city, I thought, and there are hundreds of Joe Wattons in the world. But my innerself forced me to pry the information out of the driver. This I did with ease. It was Joe, and we had reached the club at that precise moment. I told him about our reunion, and he told me he would park his cab and be inside almost as soon as I. He was, too.

When I entered, I was greeted by a charming hostess who identified herself as Gin Fielding. She told me that Irv and Sul had met almost as many people as I, and that Mr. Bauchman had to cancel all previous reservations, so that all the alumni of L.H.S. could have the club for themselves. She showed me where the others were seated and asked Ed Hardacre, the head waiter, to show me to my seat. Chuck Kelley was the first one I saw and even in the Pelican Club I could not surpress the excitement of seeing my old pal. But Chuck was not the only one there. There, at the table, I saw Barbara Higton, Claire Doiron, Toni Fera, Janice Harvey, Wally Baines, and Ollie Goulet. And as yet the evening was still in its prime.

The orchestra was tuning up, and the tenor sax player, who was also the leader, was Paul Finberg. That wasn't all, Ruthie Rausch was his vocalist. If we had planned this reunion for years it could not have turned out any better. When the number was finished, the orchestra came over to our table. Among these musical wizards I perceived a few familiar faces namely Pete Atamian, Bob Morely and Charlie Parker. Paul called them and reminded them that they were working. He's a regular Simon Legree, but perhaps that's how he acquired the title "King of Swing".

The murmur of approaching voices caused me to stretch my neck and find out who was coming in. It looked like three fellows in football uniforms, with Bob Peterson in the lead, and Hank Judge and Joe Karas following him. I thought that they were a little beyond the college football age, but I said nothing. Later I learned that a game comprising football coaches from the leading colleges in New England had been played that afternoon. Bob coaches Dartmouth, Hank is at Yale, and this is Joe's first year at Harvard. Their team won, I guess that accounted for the big grins as they came in the door.

A girl that I hadn't noticed before was now approaching our table. As she came nearer I recognized Gloria Gosselin, the girl who is responsible for making Hampton Beach the most popular resort in America. Because of her clever advertising ideas, along with the co-operation of Nick Carter who loaned her a few models from his agency, she made the pictures necessary for National Publication. Glo then joined our party and told us that she had just met Sib Cultrera and Fran Hart coming out of Stan Marsh's Real Estate Office, and that they expected to be here later on.

Just then the orchestra played a catchy little tune written by Sammy Cautadella and sung by the same. He

still had his hat and coat on, this told us that he must have arrived with the latest contingent of alumni. A man with a familiar walk approached our table. It didn't take me long to recognize Johnny Small, the "Cigarette King."

The funny part about Johnny's life is, that with all his money he continues to live in South Lawrence. I guess all the natives from the place above mentioned manage to get home occasionally, but Johnny still maintains a home there.

I glanced at my watch and saw that it was time for Ray McDonnell to introduce Charlie Bauchman's special guest of the evening, and former Lawrencian, Dick Vose. Dick has taken the place of Bob Hope in the hearts of Americans. I guess that none of us really appreciated Dick when we had him with us all the time, but we all do now. We had lots of laughs while he was performing for us, and later on too, when he visited the different tables.

The familiar strains of "Auld Lang Syne" told us that the evening had come to a close. It had been such a wonderful experience, seeing all our friends again! When I was getting up from the table I met Rita Higgins with Bea Fallon and Sis Hurley. They were rushing like mad to get a subway, which didn't leave much of an opportunity for gossip. Nick Carter had his car there, so he had no alternative but to drive us home. And, despite his reckless driving, we arrived home safe and sound.

When I awoke the next morning my thoughts turned to Mary Louise whom I had neglected shamefully in the past day. I called her and gave her an eye witness account of all the happenings of the night before. She told me that she was feeling better and that she was to be discharged from the hospital that afternoon. The door bell interrupted our conversation and caused us to bid each other a hasty adieu. I opened the door to find the paper boy who wanted to be paid.

I glanced at the paper and was confronted with a picture of Tim Toohig. There was a feature story about him and his recent discovery of a wonder drug, along with an announcement of an honorary degree from Harvard.

It was then 10 A. M. and I was scheduled to meet Mary Louise in four hours. I began packing my things when it occurred to me that I hadn't eaten any breakfast. I left my room in an upheaval and went down to the dining room. I gave my order and settled back to watch the people around me. Over in the corner I saw Jack Kiley surrounded by a group of photographers. I learned, from a little professional snooping that he was being interviewed before the first copy of his autobiography was released. I stayed far too long downstairs and so I had to rush in order to finish my packing.

As I reached the hospital I saw Bill Knapton and George Fairburn walking away, they had seen Irv and decided to have a chat. We went inside and got Mary Louise. We used the hospital telephone to call Albany, our next stop, and make the necessary reservations. And, so once again we were on our way. As we left New York that evening, we left with pleasant memories of two days well spent.

I wish that we could have seen more of the old crowd, but even if we had, I think it would have made my letter too lengthy. So, if you should ever see any one of those whom I have failed to mention, I wish that you would extend to them my wishes for a successful and happy future.

Sincerely yours,

Helen Kelleher.

Pictorial Interest
In Plouf Portraiture

Part of a Plouf Portrait . . . part of every portrait that is pleasing . . . is its pictorial interest . . . that which makes it command attention even from those unacquainted with its subject.

Everyone has some attraction . . . personality, character, figure, beauty of hair or eyes. Plouf features these attractions by choice of pose and expression, by control of lighting and arrangement of composition, by harmony of background and richness of finish. The result . . . a portrait with pictorial interest . . . one that portrays even the most difficult subject with surprising success.

Regard for pictorial interest is apparent in whatever Plouf portrait style you select . . . even in one moderately priced.
